

DOC Band® Direct

Financing powered by our trusted partners:

How it works:

Once you've completed a quick, online application, you will be immediately notified of the outcome. If you are approved, you'll see different loan options and can choose the one best for you. You'll receive your loan documents by email and can sign them electronically. After signing, your funds will be disbursed directly to Cranial Technologies on your behalf.

Applying to DOC Band® Direct is simple:

- 1 Visit the online loan application site.
- 2 Click on "I Agree" to accept the terms as outlined.
- 3 Complete the online application.
- 4 If you are qualified, click on "See Your Loan Options."
